RESOLUTION NO. 5962-2022

RESOLUTION ADOPTING OF THE EXECUTIVE – LEGISLATIVE AGENDA 2023-2025 OF THE PROVINCIAL GOVERNMENT OF ORIENTAL MINDORO (PGOM)

WHEREAS, the formulation and adoption of the Executive – Legislative Agenda of the Local Government Units (LGUs) is governed by the Department of the Interior and Local Government (DILG) issued Memorandum Circular No. 2019-114, issued on July 18, 2019, with the subject: “Clarificatory Guidelines on the Formulation of Executive-Legislative Agenda (ELA)”. Item 5.2 thereof defines the ELA, to wit:

“Executive-Legislative Agenda (ELA) – a unifying document corresponding to the term of local elective officials that is developed and mutually agreed upon by both the executive and legislative departments of a local government unit. The ELA supports existing LGU planning processes and adds greater value to the CLUP and CDP by moving them forward to getting implemented and monitored”;

WHEREAS, the ELA 2023-2025 of the PGOM is a product of the Executive-Legislative Agenda Formulation Workshop held on August 23-25, 2022;

WHEREAS, under the ELA, the PGOM envisioned that “By 2025, Oriental Mindoro is a food base exporting high value agri-products, the preferred agri-tourism destination in MIMAROPA and with an environment conducive for investments”;

WHEREAS, based on the DILG Advisory, dated August 05, 2022, issued by DILG Secretary Benjamin C. Abalos, Jr., LGUs is directed to submit the ELA to concerned DILG Provincial Offices on or before October 11, 2022;

Vision - Mission

VISION

By 2025, Oriental Mindoro is a food base exporting high value agri-products, the preferred agri-ecotourism destination in MIMAROPA and with an environment conducive for investments.

MISSION

The Provincial Government of Oriental Mindoro is committed to promote the well-being of an empowered citizenry prospering under a climate resilient green growth economy through a proactive, accountable, and participatory governance

OPERATIONAL DEFINITIONS

agri or farm tourism

the practice of attracting visitors and tourists to farm areas for production, educational, and recreational purposes which involves any agricultural or fishery-based operation or activity and may also provide a venue for outdoor recreation and accessible family outings

eco-tourism

defined as responsible travel to natural areas that conserves the environment, sustain the well-being of the local people, and involves interpretation and education

environment conducive for investments

encouraging atmosphere for ventures supportive to agriculture and tourism

well-being

the state of being healthy, contented, or successful

empowered

people and community manifesting independence, resilience, vigilance, and self-reliance through engagement in all government undertakings, partners in development, exercising and enjoying their rights and development of their full potential

client resilient

refers to the capacity of an institution to effectively respond to recurring climate-related disturbances and recover in an improved state to consistently endure future occurrences of natural calamities with similar and increased intensities

green growth

means fostering economic growth and development while ensuring that natural assets continue to provide the resources and environmental services on which our well-being relies

climate resilient green growth

economic development that emphasizes environmental sustainability and advances social equity goals, while also pursuing climate change adaptations that make economic development more climate resilient. It highlights the mutually enforcing relationship between climate change adaptation and economic development as well as poverty reduction and social inclusion
